## GRAND KNIGHTS LETTER

**Dear Brother Knight,**

We are getting ready to begin our 08/09 term. We accomplished quite a lot last year and had a great time doing so. We had a good Tootsie Roll drive. One of our youth went on to claim national honors for the Soccer Challenge. In addition, there was the dedication the Flag Pole on Veterans Day. Another successful 2<sup>nd</sup>/3<sup>rd</sup> degree was held at St Pius this last year. Keep Christ in Christmas went well. We setup chairs and parked cars for the Atlanta Boys Choir at the Monastery. Santa came and visited us at our December monthly breakfast and the kids had a great time. We had a great Valentine's Dinner Dance and our famous fish fries. The free throw competition saw 3 from our council win district honors and a chance to compete for State honors at the Hawks arena. We had one of the most successful Family Bowling outings last year and look forward to another one this year. We celebrated a mass for the unborn and had a nice Mothers day breakfast. We had our first attempt at a Trivia Night that raised some needed funds for one of our members.

I'm sure that I'm missing some things but it was a rewarding year and I look forward to the same and more for this year. Thanks to all that helped last year and thanks to all of you that will be out helping us this year.

Vivat Jesus  
David Collins  
Grand Knight

### Highlights of 7/10/2008 Business Meeting

Father John in his chaplain report talked to those present about an article in July issue of Columbia regarding Pope Benedict's visit to the United States and the increasing positive response from Catholics and all Americans in general.

Father also reminded us that every member of the K of C should buy or borrow Carl Anderson's book, *A Civilization of Love*. The book is a challenge to all Catholics and the K of C to live faith as Jesus would want. Father read excerpts from the book and will continue to share readings and reflections in the future.

Mike Devlin needs help with his back yard. They would like to have their daughters wedding or reception in the back yard but it needs a lot of work. There is an above ground pool that needs to be removed along with a wooden deck. The grass is over grown and will need chopping and mowing. Stay tuned for dates on for this project.

Joe Shea has been given a golf tournament agenda for possible consideration.

Rick Humburg gave 4th Degree Report. Invitation given for those interested in the 4th degree, applications due by October 18<sup>th</sup>. Please join support, and participate. Star Assembly Application has been filed.

Family Dinner and Installation of Officers will be held on Saturday, July 26<sup>th</sup> after the 5:00 PM Mass. Come out and enjoy a pleasant evening with friends and family.

District Deputy, Tim Desmet, reported there will be a Grand Knights meeting on 7/26 and installation of officers at Jekyll Island.

Tim reminded all members to have their aprons ready for next months Sunday Breakfast.
